## ABOUT EMERGING PRAIRIE

We are an organization that focuses on connecting and celebrating the entrepreneurial ecosystem through innovative programming and events that move the needle and ignite economic growth for the state of North Dakota. On top of that - we run a co-working space (The Prairie Den), we are launching the first code school in North Dakota (Emerging Digital Academy) and we are the moving force on the Grand Farm Initiative. With our mission, vision and values as a guiding force, we strive to support the founders, creators and community builders across the state to be curious and relentless in their pursuits.

### MISSION

To connect and celebrate the entrepreneurial ecosystem in our region.

### VISION

The relentless pursuit to improve the human condition both locally and beyond.

### VALUES

Accelerate entrepreneurs.  
Educate our city.  
Infuse the arts.  
Build on our bright spots.  
Practice radical inclusivity.
