

Emerging Prairie is excited to announce **Curiosity Week**, a dynamic week-long series of events designed for community builders, entrepreneurs, founders, and curious minds alike.

This week is focused on building a holistic startup ecosystem, covering topics such as startup resources, quality of life, education, technology, and the arts.

Our mission is to cultivate a startup culture that sparks creativity, curiosity, and growth, paving the way for impactful and scalable ventures that benefit our region.

**When: October 9th - 12th**

**Where: Various Locations**

**Speakers & Schedule:** Find full schedule and speaker list at <https://curiosityweek2023a.sched.com/>
