

## Grand Farm Intern

Full-Time: \$16/hour

---

### Job Description

The Grand Farm Intern supports the mission and vision of Grand Farm. As an intern at Grand Farm, you will be an integral part of our dynamic and fast-paced environment. Throughout the internship, you will have the opportunity to work closely with our multidisciplinary teams, gaining exposure to a wide array of agricultural innovations from around the world. Grand Farm's ecosystem includes growers, startups, corporations, higher education, government agencies, and investors.

### Key Areas of Responsibility

- Collaborate with team members on a variety of team initiatives and partner projects
- Identify and meet with organizations globally working on agriculture technology
- Participate in field trials, collecting and analyzing data (training will be provided) on ongoing projects with Grand Farm partners
- Assist in the development of reports related to ecosystem and project activity and findings
- Engage in cross-functional teamwork, contributing to brainstorming sessions and sharing ideas for continuous improvement

### Required Skills/Abilities

- Excellent verbal and written communication skills
- Excellent interpersonal and customer service skills
- Excellent time management skills with a proven ability to meet deadlines
- Strong analytical and problem-solving skills
- Ability to prioritize tasks effectively
- Proficient with Microsoft Office Suite, Google Drive, and related software

### Education Requirements:

- Preferred: Experience, strong interest, or education in agriculture or related fields

### Physical demands:

- Ability to continuously stand or walk during events
- Ability to bend, squat, climb stairs and lift occasionally
- Ability to lift up to 50 pounds occasionally
- These physical requirements must be met with or without accommodation

### Work environment:

- May occasionally work outdoors with temperatures above 100 degrees and below 32 degrees
- May occasionally walk on slippery or uneven surfaces
- May occasionally climb ladders and work off elevated surfaces
- Noise level in the work environment is frequently loud
- Ability to work outside normal business hours on occasion
- Ability to travel to stakeholder locations located in rural communities

### Benefits and Culture:

## Grand Farm Intern

Full-Time: \$16/hour

---

- Flexible work environment that allows the employee to work from varied environments and locations. Primary work location is Fargo, ND and Grand Farm's Innovation Campus (Casselton, ND)

### About Grand Farm

The Grand Farm Education and Research Initiative, powered by Emerging Prairie, capitalizes on the region's potential and expertise in the agriculture and technology industries. The Grand Farm Initiative will accelerate the research and innovation into technology which will be present on the farm of the future – impacting North Dakota, the United States, and the World by solving challenges in the agriculture industry and developing new opportunities.

The Grand Farm Initiative is designed to inspire collaboration among businesses, organizations, and researchers to develop the future farm, which we believe will solve issues critical to farmers worldwide.

**Mission:** To empower technology to feed the world.

Emerging Prairie is proud to be an equal opportunity provider.

**To apply:** Please send both a cover letter and résumé to [williamsa@emergingprairie.com](mailto:williamsa@emergingprairie.com)
